Example

The 'Sewing Clubs' at Roberts are growing and changing!
 Choose from an increasing variety of club classes to attend. See the list below!
 We are using a punch card system for fees. You will purchase a CLUB CARD for \$75.00 which is good for 12 punches within 12 months. (\$6.25/punch)
 Present your CLUB CARD upon attendance for selected punches per session (depending on the Club).
 (Please note: it is your responsibility to retain your Club Card. If you forget your card, you will pay \$9.00 per punch to attend that session, or purchase another punch Card. If your Card is lost, you must purchase another Card.)
 (Those who wish to attend a club without card ownership will pay \$9.00/punch for max card punches)
